ID: I10853
Name: **Johann Georg SCHAEFFER** [1] [2] [3]
Sex: M
Birth: 05 MAR 1691 in Kusterdingen, Tubingen, Baden-Wuerttemberg, Germany [1] [2] [3]
Death: 1733 in Dutchess, New York, USA [1] [2] [3]
Note:

Johann Georg SCHAEFFER is my 6th great grandfather. He was amongst "The Palatine Families of New York" who immigrated in 1709/1710 from Germany to England and then to what became upper-New-York-State, settlling first along the Hudson River and later along the Mohawk River.

This Johann George SCHAEFFER came to New York state with his parents and their other children, AND with his own wife Anna Maria MATTHES.

Detailed information about these Palatine families has been assembled by Henry Z Jones in his two volume book "The Palatine Families of New York," published in 1985 by Picton Press. Information on the parents, siblings and nuclear family of Johann George SCHAEFFER can be found on pages 819 to 824 of Volume II.

The following notes derive from those pages:

Johann George SCHAEFFER was on the Simmendinger Register about 1716/1717 and is listed near to other members of his family. He was a Palatine Debtor in 1718 and 1721, as recorded in the Livingston Debt Lists. He first appears on the tax rolls in 1722 for the North Ward area, and was continually listed there until March 1733, when his widow's name was recorded (see Dutchess County Tax Lists).
