Description

This database is a collection of historical parish registers from Nottinghamshire, England. The records in this collection can range in date from the early 1500s to the mid- to late-1800s. Parish records--primarily baptisms, marriages, and burials--provide the best sources of vital record information in the centuries before civil registration. Baptismal records generally list the date of the baptism, the name of the child being baptized, and the name of the father. Marriage records generally include the date of the marriage and the names of the bride and groom. Burial records generally list the date of the burial and the name of the deceased individual. Occasionally burial records will include other bits of information, such as where the individual was from or if he/she was a widow. [Learn more...](#)
