

## Descendants of John May, Jr.

### Generation No. 1

1. JOHN<sup>2</sup> MAY, JR. (JOHN<sup>1</sup>) was born Bef. 1750, and died Aft. 1814. He married SUSANNA RIDENS. She was born Bef. 1755.

Notes for JOHN MAY, JR.:

From Gene Boswell: John MAY, Jr., b. by 1750, d. aft. 1814. We believe this is the correct John MAY to be the son of John MAY, Sr. He possibly m. ?Susanna RIDENS (?RIDINGS)? or ?Penny COTTON?. She was b. bef. 1755. In 1778, John received a Land Grant for 350 acres on Little Lick Creek in Wake Co., NC in 1778, adjacent James COMER (?CONNER) & Gilbert EVANS, including the improvement where he (MAY) lives. Later that year, Joshua SMITH & Robert SMITH each entered 250 acres adjacent James COMER & John MAY. In 1779, Robert SMITH bought 250 acres adjacent John MAY & Joshua SMITH. See also the land records listed under John MAY, Sr.

John MAY sold property to William WALLACE in 1787 in Orange Co., NC. (Note: Polly MAY m. William WALLACE in 1823 in Orange Co., NC.) In Sep 1791, John HALL, John LEIGHT & Robert CAMPBELL made a deed to John MAY, Jr. In 1790, Thomas YOUNG proved John MAY's bill of sale to Abram MARTIN. In 1791, there was a deed from John HALL, John LEIGHT, & Robert CAMPBELL to John MAY, Jr. in Wake Co., NC. John MAY was a witness for Benjamin PEELER & John GRANT of City of Wake in 1804. John MAY was on the 1790 census of Wake Co., NC with Thomas & William MAY. He bought from the estate sale of William CUMMINGS in 1791.

John was in the 1800 census along with Absolam, Charles, Thomas, & William MAY. In that census, John MAY & Thomas MAY were b. bef. 1755 & the others were younger. He was on the 1809 Tax List in Wake Co., NC with 100 acres of land & no slaves. He was on the 1810 Tax list of Lick Creek District with 220 acres of land & 1 poll. He was probably the John MAY, Sr. who bought from the estate sale of John TILLEY in 1811, along with Charles MAY.

He was on the 1811 Tax List of Lick Creek District with 35 acres of land & 1 poll. He was on the 1812 Tax List of Lick Creek District with 40 acres & 1 poll. He was on the 1814 Tax list of Lick Creek District, but that list did not contain any further information. The 1810-20 census records of Wake Co., are not extant, & no MAY families appear in the 1820 Tax Lists as residents of Lick Creek, or in the 1830-40 census records.

We are not sure if this MAY family connects with the TILLEY family, but there are TILLEYs on the Tax Lists of Lick Creek District, Wake Co., NC, along with these MAY families, from at least 1810-1814. Gerge RIDENS was also in the Lick Creek District. There were RIDINGS/RIDENS/REDDINGS on these Tax Lists in Buffalo District 1810-1814.

She was born Abt. 1781 in NC, and died 1870 in Good Hope Community, Edgefield, SC.

Notes for CHARLES MAY:

Editor Note: This history does not contain all children names, other than the Asa May line. Please refer to the Charles May book for other children.

Charles May married first married Mary Huskey and then about a year later married Mary "Polly" Loveless. It is assumed Mary Huskey died shortly after the marriage either of disease or complications of childbearing. Charles and Polly Lovelass had 11 children. All were raised in Edgefield District, South Carolina. In a letter, a Grandson of Charles May wrote, in part, that Charles May and family came to South Carolina from near Charlotte, North Carolina. All of the children had large families except William and John -they never married. Most of the family lived to be upwards of 80 years old, and:

"All of the family was of a high tone, a truthful, honest family. I never heard of any of them ever to be in court. Their motto was to tell the truth and act honestly. Of the children that each raised, all conducted themselves nicely as good citizens. All of this large May family were reared in Edgefield County. I can gladly say that I am proud of the lives of the May Family..."

Charles bought a 300 acres tract of land at Good Hope, SC, at May's Cross Roads. He was buried there in the old May Family Cemetery where they settled. It is about a mile from May's Cross Roads. This is about two miles from the Good Hope Baptist Church, nine miles north of Saluda on the Saluda-Greenwood Highway. This church was the center of activity for the May's at that time. In 1947, the May Family Association installed a monument to Charles May on the Saluda-Greenwood Highway leading to May's Cross Roads. Source: "Charles May and His Descendants" 1956, The May Family Assn.

Charles & his wife were in the 1800 census in Wake Co., NC with 1 son. He bought from the estate sale of John TILLEY in 1811, along with John MAY, Sr. He was on the 1810, 1811 & 1812 Tax List of Lick Creek District with 50 acres & 1 poll. He was on the 1814 Tax list of Lick Creek District, but that list did not contain any further information. In 1820 when he given power of attorney for disposing of land for John HUSKEY in Brunswick Co., VA. He was the administrator of the estate of Joel "Joseph" HUSKEY in Edgefield Co., SC in 1831.

He was in the 1820-30 census of Edgefield Co., SC. Living with him in 1820 is a male b. bef. 1775, who may be his brother, John. In the 1830 census, Polly appears to be living with a Sarah MAY. Polly is in the 1850 census of Edgefield Co., SC. Living with her was her granddaughter, Sarah RAUTON.

Notes for MARY HUSKEY:

Mary Huskey and Charles May were married just a short time. It appears Mary died within a year after her marriage to Charles. No Children. Charles continued to serve the Husky family after his marriage to Polly Loveless.

4. PENELOPE<sup>3</sup> MAY (*JOHN<sup>2</sup>, JOHN<sup>1</sup>*) was born Abt. 1780 in N. Carolina, and died Bef. 1843. She married JOEL RIDINGS 1799 in Wake County, NC.

Notes for PENELOPE MAY:

They were in the 1800 census of Orange Co., NC. They moved to TN prior to the War of 1812. After Penelope's death, Joel m. 2nd Nicy WHITE COWEN in c1843. She was b. c1803 in Bertie Co., NC. In 1820, Joel, Penelope & Susannah RIDINGS were members of Richland Creek Baptist Church in Humphreys Co., TN, along with Joseph, John, Martha, & Agnes MAY. We have not identified these MAYs. Joel's second wife, Nicy WHITE COWEN, was also a member of this church in 1820.

Penelope & Joel's children were: William, Elizabeth, Louisa, James, Matilda, Emily (b. 1809), Rebecca, Martha, George, & Absolam RIDINGS. This is the line of Sally TOMLINSON, Nancy McBRIDE, & LouAnn CAMERON. Penelope & Joel's son, William RIDINGS of Henderson Co., TN, sold 100 acres of land to John SUMMERS of Stewart Co., TN in 1823. Two of the witnesses to this deed were: George RIDINGS, his brother, & Joel H. MAY (b. by 1802) who is unknown.

Sally TOMLINSON, whose husband was a descendant of Joel & Penelope [MAY] RIDINGS, says that a letter dated 4 Oct 1973 from his aunt., Bertha Izora TOMLINSON HUDSON (1882-1979), great-granddaughter of Penelope & Joel, states: "in Penelope May's Bible which I have she lists her brothers as John May, Major May, William May, James May, and Absolam MAY." "I also find the name Penny COTTON in the Bible. Don't have any idea who she was. (17 Jan 1974)"

Sally TOMLINSON was never able to get a copy of the information in Penelope MAY's Bible before Bertha's death. Some of the other information from Bertha's letters is confusing. She calls Absolum and Susanna RIDENS (RIDINGS) Penelope's parents in one place, but says in other places that she does not know Penelope's parents names. She also states that Penelope was b. in 1791 (Penelope m. Joel RIDINGS in 1799)

Sally also shared information from a letter written 24 Oct 1922 in Augusta, Hancock Co., IL by Angeline Rachel BOOKER TOMLINSON, daughter-in-law of Emily RIDINGS TOMLINSON, which states: "Daniel TOMLINSON was born Oct. 10, 1806, died Oct. 24, 1859; married Emily RIDINGS Aug. 30, 1830. Emily RIDINGS was born Jan. 27, 1809. Her father was Joel RIDINGS. Her mother was Penelope MAY, the daughter of John MAY....Emily RIDINGS TOMLINSON had 9 children, John May (RIDINGS) lived 11 days..."

Stamford F. May (Stanford) is listed on pg. 78 of "Edgefield County Records" at Sutro Library in San Francisco along with wife as receiving 1/5 of 1/2 of proceeds of will of a John Gitty. Stamford's wife was likely named Gitty, as she is mentioned in the May Family book, too.

He married MARGARET MARTHA MURRAY 23 Dec 1846 in Jefferson Co. GA.. She was born 16 Oct 1829 in South Carolina, and died 21 May 1898.

Notes for ASA MAY, SR.:

Asa May moved to Jefferson County, FL about 1846.

Asa May is buried at Hickory Head Baptist Church, Brooks County, GA.

Asa May Sr. was active during the Civil War, mostly in helping local people keep well regarding crops, helping when husbands' away, etc.

The Charles May history tells us this son of Charles and Polly "moved to Jefferson County Florida (about 1846), in company with his brother Stanford and two first cousins, Lemuel May and Alvin May (who) were sons of John May, brother of Charles May, whose descendants are being treated in this volume. The two brothers, John and Charles had come from Edgefield County with their father John May according to family tradition, and settled in the Good Hope Baptist Church section of what is now Saluda County.

"After going to Florida, Asa May married Margaret Murray, on December 23, 1846. She was born October 16, 1829, and died October 21, 1898. They were the parents of nine children:" NOTE: The Notes of Margaret May b. 1899 show a first son of Asa and Margaret was William McBride May who died at birth.

In March, 1999, Joe May, b. 17 Feb 1930, reports the following: "Asa May (Sr) died in 1878. All of the children were born at Waukeenah at the Old May Place known as ROSEWOOD PLANTATION. The house stands at what is now CAPPS, FL, actually about 4 miles from the town of Waukeenah. Since only 5 children were still alive when they moved to Ashville, FL, where were the other 5 buried? Ebenezer Baptist (which they attended in those days) is located only 2 or 3 miles from the house. They may be buried there in unmarked graves. Its possible they were buried on the property, but have no definite proof."

May was one of the wealthiest planters in North Florida, at one time owning more than 3000 acres of land in Jefferson County alone. He was a Jefferson County Commissioner in 1876. In October, 1865, Asa along with William Capers Bird and William B. Cooper, was a delegate to the Constitutional Convention.

Asa May in 1860 Jefferson County Revenue Assessment "Paid a tax of \$10.60 on 11 slaves, 320 acres of ist rate land, one silver watch, and one carriage/buggy/wagon valued at \$150. Similar assessments for following years, except that he values increased significantly.

Some of the information about the McBrides, Murrays, Coles, tax and properties, was provided by Sharyn M. E. Thompson of Tallahassee, FL in 1986.

Notes for CHARLES MANLY MAY:

The Charles May book shows this Charles as born 1830. Genealogist Gene Boswell in her research wrote the following and this file accepts "abt 1825":

"When I noted the ten year gap between Asa MAY, b. 1820 and Charles Manly MAY, b. 1830, I re-checked the census records and believe his 1830 date is incorrect. He was listed in three census records as b. 1820-25, b. c1825, and b. c1823. My guess is that he was certainly born no later than 1825."

Oral family history states that James worked in the CA gold fields & that he moved with the St. Anthony Mining Co. of Santa Barbara, Santa Barbara Co., CA to the tiny town of Hazelton in northern British Columbia. James & Mary were in the 1901 census for Hazelton, British Columbia, along with an adopted daughter, Mary Ann MAY. In that census, he states he immigrated in 1859; he belonged to the Church of England; was of English origin & American nationality; & his profession was gold miner. James & Mary's children were:

Notes for MARGARET EDNA MAY:

Margaret Edna May was born of prominent landowners of Georgia and Florida. Her mother died in 1909, and two years later her father died when she was about 12 years. She lived with her Aunt Sue Frances May, attending school and college: Florida State College for Women, Tallahassee, Florida, graduating as an Arts and Literature Senior in 1915. Next, Norman Institute, Norman Park, GA, where she met her husband-to-be Arthur W. Stapleton, 1917. She was preparing to be a nurse. Her Grandfather, Asa May, was very active in development of his plantation and surrounding wilderness areas. Her ancestors played prominent roles in the American Revolutionary War and the Civil War. Some of their slaves stayed on after the Civil War. The Asa May (Margaret's G. Grandfather) Plantation Home is now a restored historical location near Capps, Florida.

Margaret's middle name EDNA came from her grandmother Sophronia Edna Chastain.

Margaret was a very active person, notwithstanding her lower back problems. She was the Girl Scouts leader in Benicia for many years. She was active in church social work. She somehow got possession of a thoroughbred Cocker Spaniel during World War II, and proceeded to breed, raise and sell champion Cocker Spaniel show dogs. She also purchased the rights to the local newspaper distributorship of the Bay Area newspapers (SF Examiner, Call-Bulletin, Times, and the Oakland Tribune). Later, when she and Arthur moved to Napa, it was mostly the dog business and her full time employment as a Psychiatric Technician at Napa State Hospital, that kept her busy.

Margaret was a very friendly and forgiving person. Many (some prominent) residents of Benicia owed her for newspaper deliveries she made long after she should have cancelled them. She was a no-nonsense people-person. She was a talented and cultured woman, and a skilled artist. In later years, she suffered the results of carrying a thought-to-be dormant tumor which turned to cancer. Very dignified to the end.
