Description

This database is an index to individuals enumerated in the 1870 United States Federal Census, the Ninth Census of the United States. Census takers recorded many details including each person's name, age at last birthday, sex, color; birthplace, occupation, and more. No relationships were shown between members of a household. Additionally, the names of those listed on the population schedule are linked to actual images of the 1870 Federal Census. [Learn more...](#)
