Description

This database is an index to individuals enumerated in the 1881 Census for England. The census contains detailed information on each individual who spent the night in each household including name, relationship to the head of the family, marital status, age at last birthday, gender, occupation, and birthplace. Additional information about the dwelling and property was collected. Each name in this index is linked to actual images of the 1881 England Census. [Learn more...](#)
