I have a Micheal Kirts in
GMT my line, UNKNOWN

Classification: Query father to me:

Micheal born 02 Mar 1793, Pennsylvania
married to Elizabeth SIMPSON, date unknown
died 20 Sep 1872, Prospect, Marion cnty, OH
buried Unknown

1 child, Joseph Kirts, born abt 1820, Erie, PA
married Hannah Carter PRICE

Census Year: 1850; Census Place: Prospect, Marion, Ohio; Roll: M432_708; Page: 22; Image: 46.

I have seen JOHN mentioned, but can't tie him into my line. I am working from my mother's scribbled notes, and she passed away in 2005. I also must inform you that I am using Ancestry for it's hints and census search - most of what I have gleaned is not verified at this time. As far as I can tell, I am the only John in my line.

Hope this helps!

John C. Kirts
